BOLL WEEVILS PLENTIFUL

A. W. Shelton of Providence was trading in the city today. Mr. Shelton reports the boll weevils worse on his place this year than he has ever seen them. He says the cotton did not have a chance to make a second growth on account of the large number of weevils, and that he can see no way in which the farmers can get rid of the pests.

"DAMAGED GOODS."

For next Tuesday night, November 16, the Colonial will offer Eugene Brieux's interesting sociological drama, "Damaged Goods," as presented by Richard Bennett's coworkers, who scored so emphatic a success the past season.

"Damaged Goods," from the viewpoint of men and women high in National and civic life, is one of the foremost stage contributions in a decade. It is a distinct novelty in that it presents a subject long held to be sacred only to the medical fraternity or within the confines of one's inmost thoughts, yet has been given life and impetus by Brieux and his collaborators, who displayed neither fear nor prejudice in its rendition. It is a powerful sermon which is interestingly absorbed by its authors and one which has done more for the uplift of humanity than is accorded hundreds of stage presentations in a score of years.

VISITED ROCK QUARRY.

A visit was made to the Millican rock quarry yesterday by County Judge J. J. Maloney, Commissioner M. B. Easters and W. J. Coulter and M. F. Dansby of the good roads advisory committee, to inspect the rock with a view to using same in the construction of the good roads in this county. The other members of the commissioners' court were supposed to have taken the trip, but in some manner the schedule and plans were confused and they did not go. Nothing definite has been decided, as the trip was merely prospective.

PROF. KINNARD TO CALDWELL

Will Establish Office There and Devote Full Time to Extension Work.

Prof. A. W. Kinnard, who has been engaged in the extension department of the A. & M. College more or less since last June, has been assigned to regular work in Burleson County. He will establish his office in Caldwell and devote his entire time to extension and demonstration work in Burleson County.

This work, we understand, in no way interferes with the usefulness or efficiency of Fairmead Dairy or Fairmead Creamery, both of which will be continued under the able management of A. W. Kinnard Jr., who has been conducting them since last June.

While we regret to lose Prof. Kinnard's presence from our county, we congratulate Burleson County on securing the services of such an earnest and devoted advocate of rural betterment as he has proved to be in this county.

REV. C. T. TALLY GOES TO TEXAS CONFERENCE

People Hope He Will Be Returned by Conference.

Rev. Charles T. Tally, pastor of the First Methodist Church, left last night for Longview to attend the session of the Texas Conference. He was accompanied by Rev. J. Dobbs and Rev. F. Zito.

At the Sunday service Rev. Tally read the summary of his report which will go before the conference Wednesday.

During the year there have been added to the church eighty-five members. The missionary society increased in membership, the total being 135 members, with a larger budget of finance. The Sunday school increased about 20 per cent, the present total enrollment being more than 600. Special emphasis was placed by the pastor on the two great Wesley Bible classes, one led by Ed Hall, the other by Mrs. Tally.

The special work among foreigners in Brazos County which the church has had under its care has all had marked success.

The church paid all the assessments and over. The budget for these amounted to \$1,170. The president of the official board reports all the expenses of the church paid up to the close of the fiscal year, November 25. The total amount raised for all purposes is \$6,458.

Rev. Tally expressed himself as greatly pleased with the splendid year's work.

During the year Rev. Tally has been in charge of the pastorate of the church he has proven himself to be a pastor indeed. A splendid, eloquent speaker, an earnest, Godly man, a sympathetic friend. He has endeared himself to the people of Bryan, and all, irrespective of church affiliation, indulge the hope he will be returned to Bryan by the conference.

MISS SARAH BURROUGHS DEAD.

Miss Sarah Burroughs died at the home of Mr. and Mrs. John D. Conlee Sunday night at 9:40 o'clock after an illness of several months. She had made her home with Mr. and Mrs. Conlee for several years and was treated as a member of the family. During her extended illness she was given every attention and the tenderest nursing that could be bestowed upon anyone, but to no avail. Her condition grew rapidly worse Sunday until her death occurred at the time mentioned.

She was about 45 years of age and was born in Lineville, Ala. She was a member of the Free Baptist Church and was a regular attendant at all services while in good health and was earnest and faithful in the Lord's cause. Her death is regretted sincerely by all who knew her.

The funeral services were held from the home of Mr. and Mrs. J. D. Conlee at 2 o'clock Monday afternoon and the remains were interred in the City Cemetery. The funeral services were conducted by Rev. J. J. Tatum.

PLEAS OF GUILTY.

Five pleas of guilty were entered in the justice court before Judge L. D. McGee this morning. They were as follows:

Tonight, unsettled; Wednesday, partly cloudy.

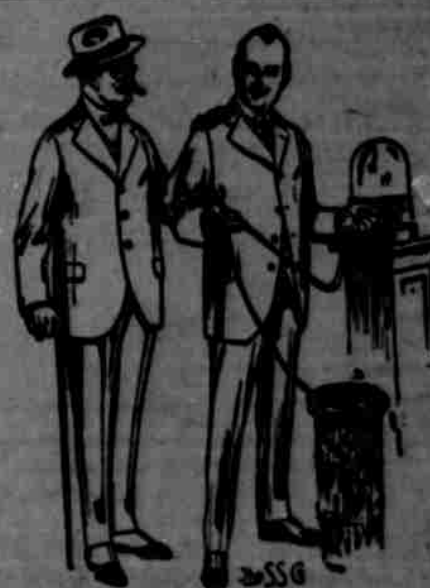

Weather Conditions.
The barometric depression that covered the Middle Western States Saturday has crossed the central valley and is now centered over Lake Superior, where it has developed into a storm of considerable intensity. It is accompanied by general rains in the North Central States and high winds in the region of the Great Lakes. The weather is also cloudy and unsettled southward along the axis of low pressure to Louisiana and Texas. To the westward a moderate field of high pressure is causing fair and cooler weather. Temperatures continue abnormally high in the lower Lake region, the Ohio and middle Mississippi valleys and throughout the South.
